

New Plymouth Boys' High School

SCP*

*Sport and Cultural Practice

SCP is an opportunity for boys who represent the school to practice with their team/group. There are a number of different sports and cultural activities available.

If you do not play/perform for the school, you will not be eligible to participate in SCP and will be given a study class.

Registration for activities will be communicated through the school notices. You can also go and see the teacher-in-charge.

SCP occurs on a Thursday afternoon, period 5, and starts the first Thursday (27th April) of Term 2, and runs until 24th August.
