

NEW PLYMOUTH BOYS' HIGH SCHOOL

TE KURA TAMATANE O NGAMOTU

YEAR 12 STATIONERY LIST FOR 2024

General Stationery items are required for all subjects. Core subjects will use a device like a laptop or Chromebook (BYOD) and any other stationery items listed below. Most option subjects will only use a BYOD except for those listed in the table on the right below which also require some stationery items. If a subject is not listed then it only requires BYOD and General Stationery items.

BYOD (Bring Your Own Device)

The school encourages the use of a device in the classroom. For those who are unable to provide one, the school has a pool of devices for students to borrow from the Computer Suite. Please find more information on the BYOD page on the school website.

Calculator

We recommend either the Casio FX-9750GII Graphic Calculator if students are taking Mathematics or Science subjects.

Earphones (ear buds)

The following subjects require students to have earphones - **Computer Science, Digital Media, French, Music, Robotics and Spanish**. These are the "bud" type earphones. Any pair of low cost earphones are appropriate.
