Sponsorship Opportunities

1st XI Cricket Team

Dear Sponsor,

New Plymouth Boys' High School has a proud and distinguished cricketing tradition. The 1st XI team represents the pinnacle of school cricket, competing in premier competitions both locally and nationally. We are committed to building on the legacy established by our Old Boys, while continuing to develop the next generation of talented cricketers.

The 1st XI competes in the Taranaki Premier Men's Competition, where we aim to consistently be top-four contenders across all formats. On the national stage, we participate in the prestigious Super 8 tournament and maintain traditional fixtures against leading schools such as Auckland Grammar School, Hamilton Boys' High School, and our newest fixture against St Paul's Collegiate, Hamilton.

With a strong foundation of experienced and talented players, we are committed to fostering opportunities that develop not only cricketing skills but also character, leadership, and resilience — building young men who represent our school with pride both on and off the field.

To support these ambitions, we are seeking sponsorship from valued partners like you. Your financial support will directly contribute to providing high-quality coaching, equipment, travel, facilities, and accommodation for our athletes. This investment will help us achieve our goals, including consistent appearances at the Gillette Cup and other national competitions.

In return, we are committed to ensuring your business receives valuable exposure through our 1st XI brand — both within the school community and across the wider region. Our players are dedicated ambassadors for the school and the sport, and your support will be both impactful and greatly appreciated.

We look forward to working with you.

Ngā mihi,
Sam Moore
Headmaster
